

TERMS OF USE

CHARACTER AND VOICEBANK USAGE INFORMATION

The “Alchemized Voice” project encompasses the character Alchemist ZETHIEL, the music featuring ZETHIEL’s voice as a virtual singer, and the singing synthesis voicebanks created from ZETHIEL’s voice.

Any content posted by the official “Alchemized Voice” accounts may not be used, reposted, or reuploaded without permission – which will mainly encompass Alchemist ZETHIEL as a virtual singer.

Below are the terms of use for the characters and the voicebanks. Please be aware the terms of use may update at any time.

Henceforth character refers to any characters of the project, and voice refers to all free singing synthesis voicebanks released under the project. Additionally, SVS refers to “singing vocal synthesis” like UTAU or DiffSinger, and SVC refers to “singing vocal conversion” like RVC.

In relation to SVC, “inference” refers to the audio that the SVC converts via a voice model.

Section 1: General

1. Using the voice or character to promote discriminatory and abusive ideology, including but not limited to racism, homophobia, pedophilia, and more is forbidden.
2. Suggestive depictions of character, and usage of voice lyrics with mild sexual innuendo are permitted.
 - a. Usage and depictions in mild and fantasy violence, emotionally heavy topics, and foul language are permitted.
 - b. Sexually suggestive depictions of ZETHIEL ZERO's character is forbidden.
3. Ask for permission regarding sexual depictions; songs with overly explicit sexual lyrics.
 - a. Ask for permission regarding depictions of extreme violence and gore.

Section 2: Voice

1. Usage of voice for commercial and non-commercial works is permitted.
2. Usage of character – alongside voice – in commercial and non-commercial works is permitted.
 - a. Usage of character only in non-commercial works is permitted.
 - b. Usage of SVS voice as inference in SVC is permitted, given the SVC model is ethically created and sourced.
 - c. Usage of SVS voice as an inference for unethical, non-consensual sourced SVC models is forbidden.
3. Alteration of the voicebank configuration and files is forbidden.

- a. Redistribution of the voicebank may be permitted, particularly in scenarios where one would like to distribute and promote “Alchemized Voice” to a different scope of audience.
4. Please ask for permission regarding the use of any voice data, outputs, and files for secondary voicebank or voice model creation.

Section 3: Character

1. Alteration of the character designs in terms of clothes, hairstyle, and skin tone; free interpretation of character’s traits is permitted.
 - a. Free interpretation of ZETHIEL’s gender is mostly permitted, however, the portrayal of Alchemist ZETHIEL and ZETHIEL ZERO as female characters is strictly forbidden.
2. Please ask for permission for usage of the character only in commercial works, like derivative or secondary merchandise.
